Docket number 02-6 Letter of appeal for e-rate denial Request for Review of USAC denial

Dear Ms. Secretary:

I am writing to you today to formally appeal the denial of my request to extend the deadline for my school district's e-rate filing on Year 8 e-rate, 471 application number 464266.

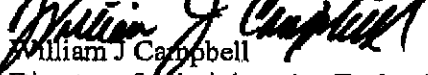

The USAC letter is attached and they give their reason as my E-rate consultant didn't have a valid letter of appeal on file as requested by May 11, 2007. I have included a copy of the denial with this appeal to you and also the letter of agency I wrote for the consultant. When I got the notice that the LOA was due, I wrote the attached letter for the consultant immediately and sent it out.

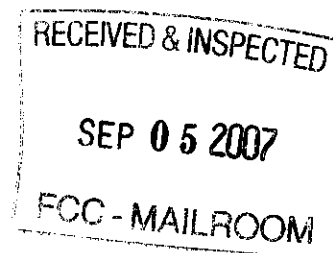

I sent a USAC employee named shandle@sl.universalservice.org an e-mail on Tuesday, May 8, 2007 at 10:03 am and copied Eddie Smith, my e-rate consultant, giving Eddie the permission he needed. Perhaps the USAC employee lost the e-mail or it may have been trapped in the USAC e-mail filter.

Anyway, I am attaching a copy of the screen print from my computer and the district's Microsoft Exchange e-mail system showing that the message was sent on time and a copy of the letter of agency.

I believe I have provided sufficient documentation to claim that Norwalk La Mirada USD followed the instructions of the auditor in charge of this operation, and I am asking that your office issue a memo to the people at USAC directing them to honor this claim for year 8 E-rate.

If you need further assistance, please contact me at the following address.
